Customize sign messages and symbols

## Versatile Supplies

From harsh indoor/outdoor environments to hard to adhere to surfaces, your signs will outlast the elements with versatile supplies. Kodiak Max's dual print heads eliminates waste, saves on cost, and makes it easy to change ribbons in seconds.

- 4" to 10" supply widths
- Multi-color print capabilities (two ribbon and one supply stock)
- Preformatted supplies for additional color needs
- Reflective, BoldGlo (glow-in-the-dark), Marine, UL 969, Die-cuts and more

## Industrial-Strength Premium Vinyl & Ribbon

Premium Vinyl is available in 4" - 10" widths in a variety of colors. This versatile and durable vinyl is dependable in indoor/outdoor environments. When paired with Premium Ribbon, printed signs resist moisture, abrasion, fading, and most chemicals.
